

REMARKS

By the above actions, claims 1 & 4-7 have been amended to correct the noted and discovered informalities, thereby obviating the indefiniteness objection. Also, submitted herewith is a Terminal Disclaimer to obviate the double patenting rejection based upon U.S. Patent No. 7,477,936.

In view of these actions and the Examiner's indication of allowable subject matter, formal allowance of this application is in order and is hereby requested.

However, while it is believed that this application should now be in condition for allowance, in the event that any issues should remain, or any new issues arise, after consideration of this response which could be addressed through discussions with the undersigned, then the Examiner is requested to contact the undersigned by telephone for the purpose of resolving any such issue and thereby facilitating prompt approval of this application.

Respectfully submitted,
